

All of the following information is necessary to facilitate a thorough evaluation and timely decision on your application. To expediate the evaluation, all materials submitted must be clear, legible, and precise. To achieve this level of customer service, staff has been instructed to accept only complete applications which includes plans prepared to professional drafting standards. Plans/drawings must conform to the current edition of the BC Building Code. Drawings stamped with “not for construction”, “preliminary”, or “for permit purposes only” are not accepted.

Building Permit Applications should be submitted without personal information on any plans. Omitting this information will protect builders and tenants by reducing the risk of any personal information being wrongfully displayed, while also following the Province of BC’s Freedom of Information and Protection of Privacy Act. Failure to follow this requirement may result in an incomplete application. If you consider the information to be personal, do not put it on the plans.
