*** In the Notes section on page 2, please provide a drawing for water servicing and explanation of use of Accessory Building for Accessory Building application.**

I/We the registered owner(s) [or agent, per attached letter] of the above-mentioned property do hereby apply for water/and or sewer service connection from the District of Lake Country's ("District") main to my/our property line.

I/We understand the water connection fee is \$500.00. I/We understand the sewer connection fee is \$_____.

I/We, having applied to the District for a water and/or sewer service connection and agree to comply with all the applicable District Bylaws, Regulations and Policies as amended from time to time. **Water users** are advised that all services shall have a pressure-reducing valve installed, including the installation of vacuum breakers and backflow prevention devices in accordance with the B.C. Plumbing Code. The District will not be responsible for any damage caused by high pressure or back-syphoning.
