

## WATER QUALITY ADVISORY RESCINDED

October 6, 2025

The District of Lake Country, in consultation with Interior Health, has **RESCINDED** the **WATER QUALITY ADVISORY** that was put in place on Oct 2<sup>nd</sup> for your property. Please see the map below for the affected properties.

Recent testing and monitoring have shown no bacteria are present within the distribution network and disinfection (chlorine) levels are normal. Customers are encouraged to run a cold water tap for five minutes to flush their household plumbing.

We appreciate your cooperation, and we apologize for any inconvenience this may have caused. If you have any questions, contact the Utilities Department at the District of Lake Country or visit the District Website, [www.lakecountry.bc.ca](http://www.lakecountry.bc.ca).
