

## How User Updates the Name and/or Phone Number Assigned to Their MyLakeCountry Profile

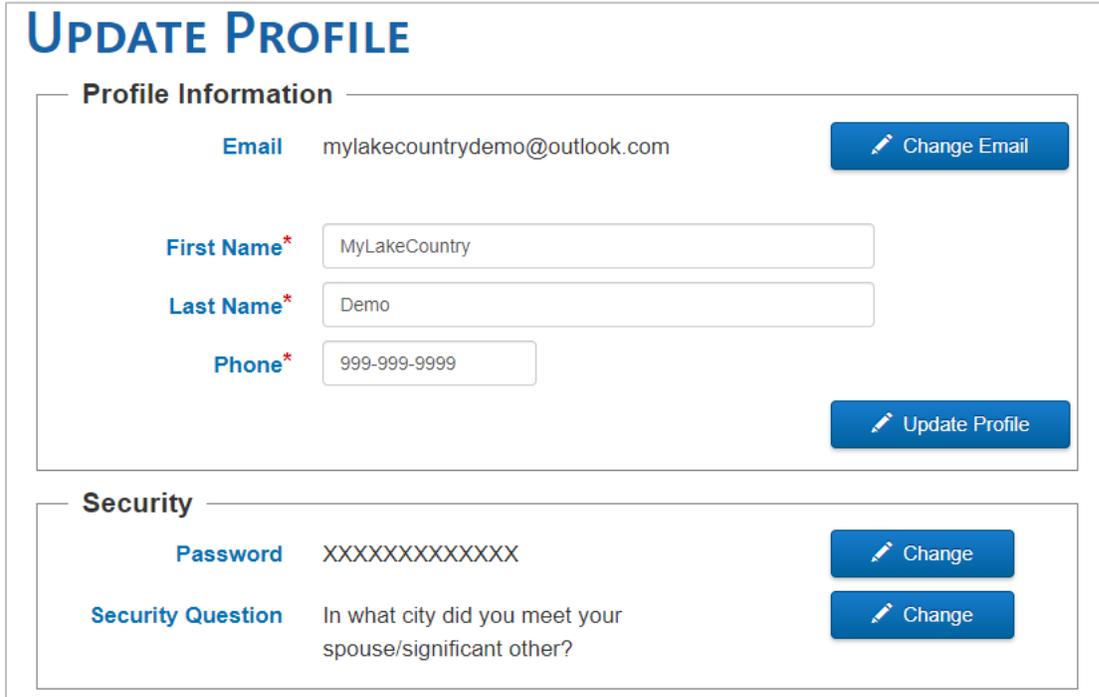

A MyLakeCountry site user can update the **Name** and/or **Phone Number** associated with their profile by following these steps:

1. User logs into their [MyLakeCountry](#) profile.
2. They see their MyLakeCountry profile **home** screen below.

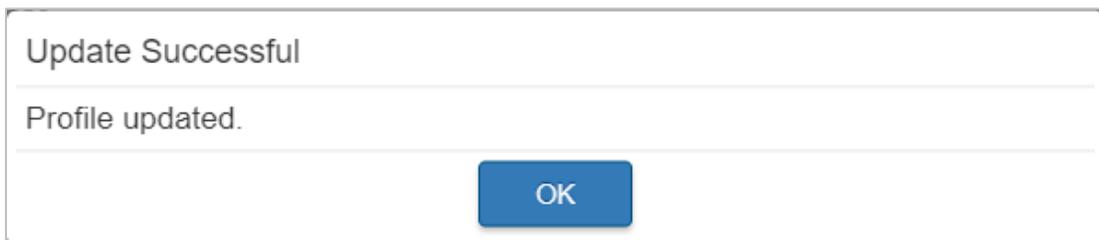

The screenshot shows the 'ACCOUNTS' home screen. At the top, it says 'Welcome MyLakeCountry Demo mylakecountrydemo@outlook.com'. Below this, there are three blue buttons: 'Update Profile' (with a person icon), 'Edit Accounts' (with a pencil icon), and 'Inactivate Profile' (with a power icon).

3. They click the **Update Profile** button in above and are taken here.

The screenshot shows the 'UPDATE PROFILE' screen. It is divided into two sections: 'Profile Information' and 'Security'.  
In the 'Profile Information' section, there is an 'Email' field with the value 'mylakecountrydemo@outlook.com' and a 'Change Email' button. Below that are three input fields: 'First Name\*' with 'MyLakeCountry', 'Last Name\*' with 'Demo', and 'Phone\*' with '999-999-9999'. An 'Update Profile' button is at the bottom right of this section.  
In the 'Security' section, there is a 'Password' field with 'XXXXXXXXXXXX' and a 'Change' button. Below that is a 'Security Question' field with the text 'In what city did you meet your spouse/significant other?' and another 'Change' button.

4. They make changes to the **First Name**, **Last Name** and/or **Phone** fields shown in screen above and click the **Update Profile** button to save their changes.
5. User is presented with the following prompt confirming the change was successful.

The screenshot shows a dialog box titled 'Update Successful'. The text inside says 'Profile updated.' At the bottom center, there is a blue button labeled 'OK'.

6. They click **OK** to close the dialogue box and return to the Update Profile screen.
